EAGLE SHELVING WARRANTY:

Metal Masters Foodservice Equipment Co., Inc. warrants that goods supplied hereunder manufactured by Metal Masters Foodservice Equipment Co., Inc. will be free from defects in material and construction at the time they leave our factory. Upon factory inspection, we guarantee to replace any shelf that is defective for a period of up to one year from the date of original installation, provided that it has been properly installed and maintained. If a shelf proves to be defective, or not in conformity with the specification, customers are entitled only to replacement of such unit. Under no circumstances will we be liable for any claims for labor or subsequent damage.

Metal Masters warrants Eagle shelves against formation of surface rust as stated below:

Chrome finished shelves are further warranted against rust formation over more than five percent of the shelving surface up to the first year to the original owner following original installation.

EAGLEbriteO zinc-coated shelves are further warranted against rust formation over more than five percent of the shelving surface up to the third year to the original owner following original installation in dry storage application and usage only.

VALU-MASTERO epoxy-coated shelves are further warranted against rust formation over more than five percent of the shelving surface up to the fifth year to the original owner following original installation.

EAGLEgardO epoxy-coated shelves are further warranted against rust formation over more than five percent of the shelving surface up to the 15th year to the original owner following original installation.

Eagle shelves must be cleaned with soft cloths and mild detergents. Using abrasive materials, scrapers or stiff brushes will void this warranty, as will physical damage, rupturing the coating or sustained exposure to corrosive substances and vapors. Warranty applies only when shelves have been continuously used within a temperature range from -20°F to +120°F, with intermittent exposure up to +200°F for VALU-MASTERO or EAGLEgardO epoxy finishes, and up to +175°F for chrome or EAGLEbriteO zinc finishes.

In the event of a warranty claim, a Metal Master representative will examine the installation and determine return or repair disposition. Repairs will be handled by the initial owner. Returns, including disassembly and subsequent reassembly, become the responsibility of the initial owner. Replacements will be shipped prepaid FOB the nearest distribution point.

There are no warranties which extend beyond these warranties. All other expressed or implied warranties, including those of merchantability or fitness for a particular purpose, which exceed the warranties stated above, are disclaimed by Metal Masters Foodservice Equipment Co., Inc. and excluded from this agreement. No employee or agent of ours has any authority to make any representation or warranty which exceeds the warranties stated above.

NO EAGLE FOODSERVICE EQUIPMENT MAY BE RETURNED EXCEPT UPON WRITTEN AUTHORIZATION FROM METAL MASTERS FOODSERVICE EQUIPMENT CO., INC. SEE INSIDE BACK COVER FOR TERMS & CONDITIONS.
