- Porcelain enamel interior (convection oven)
- 32,000 BTU standard oven
- Patented oven baffle system
- Patented oven baffle system
- Cool-to-the-touch handles
- 1" rare gas connection optional on any unit
- "No Quibble" Warranty.

Battery Assitance Program - At NO CHANGE

- Supply you with plan and elevation shop drawings of the battery as it is to be assembled
- Color code the battery and color match as indicated on the elevation drawings
- Attach identification sheets to each individual unit indicating the item Number, Model, Battery Number and Kitchen (if identified)
- Mark shipping crates on two sides with item Number, Model, Battery Number, and Kitchen
- ship units in assembled sections or blocks for ease of installation. When possible, risers, shelves and/or salamanders will be mounted.

NOTE: All Sectional units must have flue risers or shelving. These must be ordered along with the original equipment order. When ordering sectional equipment specify location from left to right as you face the battery. All sectional units require a regulated gas supply; regulators must be ordered separately with the original equipment order to properly size the need (see option and accessories), or be provided by the installer.
